## **Inspection Committee Report**

Health Globe Clinic  
3450 Platinum Drive, Unit 3,  
Mississauga, ON  
L5M 2S4

Following a review of the Inspector's Report and all other documentation pertaining to the Part I New Premises inspection of the above premises conducted on June 7, 2024 the Inspection Committee has issued an outcome of a pass.

### Recommendations

When Inspection Program Requirements are partially met and do not warrant a condition being placed on the premises, the Inspection Committee makes recommendations to the premises.

The Committee makes the following recommendations:

i) As per Inspection Program Requirement 1.2.2: Access to hand-washing facilities with proper towel disposal is available to patients and all staff.

The Committee recommends that once construction has been complete paper towels be purchased and placed at all hand-washing stations.

ii) As per Inspection Program Requirement 1.3.6: There is emergency lighting in all patient areas. Emergency lighting may include but is not limited to a permanently installed emergency system or battery powered portable devices.

The Committee recommends that emergency lighting, such as flashlights, are available in all patient areas.

iii) As per Inspection Program Requirement 2.1.3: Sharps/biohazard containers are easily accessible in every "point of use" area and mounted out of the reach of children.

The Committee recommends that the sharps/biohazard containers are located out of the reach of children.

iv) As per Inspection Program Requirement 3.3: IVIT drugs/substances are organized for easy access in labelled bins, cupboards, and shelved, including those in the refrigerator.

The Committee recommends that all shelves, including those in the refrigerator, are clearly labeled.
